RON 0,04l

Centuries-old mastery of the Cuban “RONEROS”, passed down from generation to generation. Rum-making in Cuba is ingrained in the hearts and in the faces tanned by true Cuban sunshine. Add to that sun-drenched plantations of the finest sugar cane and a passion handed down from generation to generation for more than 500 years, and it is clear that any attempt to imitate genuine Cuban rum is futile, because it was not made in this place and cannot benefit from the climatic advantages of this island. So let us keep in mind the dignity of true rum with every sip. “Para Los Santos”.

"CONDEMN ME, IT DOES NOT MATTER.
HISTORY WILL ABSOLVE ME."

FIDEL ALEJANDRO CASTRO RUZ

CIGAR LOUNGE ETIQUETTE

1. You show us respect, and we greatly appreciate it, when the cigars on your table come from our humidor.

2. Preparing a cigar is your ritual, but we will gladly help you with the preparation.

3. Adapting your tone of voice to your surroundings adds to the relaxed atmosphere of our venue.

4. There are other guests around you as well. Respecting others is a sign of mutual respect.

5. We try to notice every situation. However, if you have any requests, just let us know with a discreet gesture or a kind word.

6. If we point something out to you, it is not a sign of disrespect. We too have a request from time to time.

7. If you have other experiences from the world of cigars or rum, we would love for you to share them.

8. And finally: we should all respect the ladies. That is why, if a lady does not feel comfortable in a situation, it is our duty to respect it.
