## \* RON \* 0,04l

Stáročné majstrovstvá kubánskych „RONEROS“, ktoré sa predávajú z generácie na generáciu. Výroba rumu je na Kube vstepená do srdca a tvárí opálených pravým kubánskymi lúčmi. Keď sa k tomu pridajú slnkom zaliate plantáže tej najlepšej cukrovej trstiny a vášň, ktorá sa predáva z generácie na generáciu po dobu viac ako 500 rokov je

jasné, že akákoľvek snaha napodobiť pravý kubánsky rum je márna, pretože nebol vyrobený na tomto mieste a nemôže ťažiť z klimatických výhod tohto ostrova. Preto majme na pamäti vážnosť pravého rumu pri každom dúšku. „Para Los Santos“.
